Plaintiff

V.

Robert Becket,

Defendant

Order Adopting Report and Recommendation and Dismissing Case

[ECF No. 6]

When Plaintiff Marsha Byrd filed this case without paying the required filing fee or
filing an application to proceed *in forma pauperis* (IFP), the court gave her a second chance
o.¹ Byrd then filed an incomplete IFP application, which was denied, and Byrd was given
February 10, 2023, to try again.² She was advised that her failure to comply with that order
result in a recommendation that this case be dismissed.³ Byrd has taken no action since
der, so the magistrate judge recommends that her case be dismissed.⁴ The deadline to
to that recommendation passed with no request to extend it. “[N]o review is required of a
rate judge’s report and recommendation unless objections are filed.”⁵ Having reviewed
ort and recommendation, I find good cause to adopt it, and I do.
